Subject: Legal challenge to Pruitt's chlorpyrifos decision

All,

Five states and DC have filed a motion to intervene in the federal legal case before the 9th Circuit over the safety of chlorpyrifos, objecting to Administrator Pruitt's decision to keep the pesticide on the market. Motion is attached.

On the record response only, please.

AP's story will note that EPA has still not cited the scientific studies that the administrator says he reviewed in making his decision. If you have those now, please send them along.

Thanks,

Michael
